

SOFTBALL EVALUATIONS

- ❖ League ages are determined as follows for the 2022 season:
 - League age will be determined by the player's age as of December 31, 2021.
- ❖ All players that are League age 10, 11, or 12 **MUST** attend at least one (1) Little League evaluation session, if not assigned to a Little League Softball team from last year. League age 8 & 9 players may attend the Little League Softball evaluation, but this is optional. All 13 and 14 year olds that were not on a Junior League team last year must attend evaluations.
 - If a League age 10, 11, or 12 player does not attend either session for Little League Softball evaluations, that player must present an excuse for missing both sessions to the President and/or the Player agent who can do one of two things: 1. Accept the excuse and allow the player to be drafted on a Little League team anyway. 2. Deny the excuse, and not honor any special requests that player may have.
- ❖ All players not drafted to a Little League team will be entered into the Minor League draft.
- ❖ During the evaluation session, each player will be given the opportunity to field fly balls, field ground balls, throw, run, and hit.
 - Managers will assess the players on each of these skills.
 - Players are required to bring a glove and cleats are encouraged to be worn.
